*with previous firm

Mike has an MLA (Landscape Architecture) from UBC and a BSc from the University of Victoria. Prior to co-founding Enns Gauthier Landscape Architects, Mike was a Senior Associate at Sharp and Diamond Landscape Architecture, where he led some of the firm's largest and most complex projects from concept to installation. At Enns Gauthier, Mike has continued as design lead and Principal-In-Charge for many of our multi-disciplinary projects, including the 25-acre Pearson Dogwood Re-development along the Cambie Corridor. He currently sits on the Surrey Advisory Design Panel.
